

Introducing ASR⁺

GROWING A SEAMLESS FILING DIGITAL ECOSYSTEM

INLAND REVENUE
AUTHORITY
OF SINGAPORE

IRAS’ newly launched software register, ASR⁺, involves the integration of the following digital products to enable your customers to fulfil their tax obligations with ease.

- ★ **Submission of Corporate Income Tax Returns (Form C-S)**
- ★ **Submission of GST Returns (F5, F8)**
- ★ **PEPPOL-ready solution provider (e-invoicing) as approved by IMDA**

Software developers must incorporate 1, 2, or 3 of the digital products above in their software to qualify for Tier 1,2 or 3 in the ASR⁺ listing respectively.

Resellers of ASR⁺ registered software are eligible to apply to be on the same corresponding ASR⁺ tier, subject to IRAS approval.

Transitioning to ASR⁺

With the launch of the new ASR⁺, the existing Accounting Software Register (ASR) will be decommissioned in Jan 2023.

- OCT 2021**
Official launch of ASR⁺
- FEB 2022**
Last application for ASR
- JAN 2023**
Decommissioning of ASR

Enjoy ASR⁺ benefits

BENEFITS	★ TIER 1	★★ TIER 2	★★★ TIER 3
Featured in ASR ⁺ listing on IRAS’ Website	✓	✓	✓
Pitching opportunities at IRAS’ workshops and education sessions for taxpayers		✓	✓
Eligible for IRAS’ new Digital Integration Incentive of up to S\$50,000 [#]			✓
Able to use IRAS’ name more extensively for marketing purposes [*]			✓
Exposure and mention on IRAS’ social media channels			✓

[#]The Digital Integration Incentive is intended to encourage software development companies to integrate with IRAS APIs as well as e-invoicing capabilities to enable seamless filing. Resellers will not be eligible for the Digital Integration Incentive.

^{*}Subject to certificate of compliance with at least one industry-recognised security certification and other criteria.

Digital Integration Incentive (DII) of up to S\$50,000

The DII has been introduced to incentivise digital partners to accelerate the integration of IRAS’ digital products into their software.

[^]There are only 12 DII slots. Applicants must be UEN-registered with ACRA.
