## General Info

**The return has been reviewed by a person who is a Singapore Chartered Tax Professionals Limited (SCTP) Accredited Tax Advisor or Accredited Tax Practitioner for Income Tax.**

The SCTP is the accreditation body for tax professionals in Singapore.

- A reviewer can include a tax agent, or an in-house tax professional. For example:
  - A tax agent's staff prepares the Company's Income Tax Return based on the information provided and representation made by the Company, of which the corporate income tax treatment in the Return is reviewed by the tax manager of the tax agent firm. Thereafter, the Company's Director endorses the reviewed Return and submits it to IRAS. In this case, the reviewer is the tax manager, as the person's role is to review the Return before submission.
  - A Company's accounts officer prepares and completes the Corporate Income Tax Return. The Return is submitted to the Director of the Company, who reviews the corporate income tax treatment in the Return and approves the submission of the Return to IRAS. In this case, the reviewer is the Director of the Company.
- If the reviewer is a SCTP Accredited Tax Advisor or Accredited Tax Practitioner for Income Tax, please obtain the reviewer's SCTP membership number to complete this field. If the information is not readily available, please select "No" for this field.
- Where there are multiple accredited reviewers, please provide the details (name and membership number) of any one reviewer.

All Returns, whether reviewed by a SCTP-accredited professional, will be processed similarly by IRAS in accordance with our Tax Assessment Process. For more details, please refer to IRAS' website under [Home > Taxes > Corporate Income Tax > Form C-S/ Form C-S \(Lite\)/ Form C Filing > After Filing Form C-S/ Form C-S \(Lite\)/ Form C](#). The information provided in this field will be used by IRAS for statistical analysis and will not affect the assessment of the company's tax returns or IRAS' Corporate Income Tax compliance programmes on companies.

**Does the company meet the criteria in Section 205C of the Companies Act 1967 which exempts its financial statements from being audited?**

Under the Companies Act 1967, the following companies are not required to have their financial statements audited:

- Dormant companies (i.e. companies that do not have accounting transactions or business activities)
- Companies that meet the "small company" criteria\*

\* A company qualifies as a "small company" if:

- it is a private company for the relevant financial period (i.e. it is owned by 50 members or less); and
- it meets at least 2 of the following 3 quantitative criteria for the immediate past two financial periods:
  - a) total annual revenue not more than \$10 million
  - b) total assets not more than \$10 million
  - c) number of employees not more than 50

For a company which is part of a group to qualify for audit exemption:

- a) the company must qualify as a small company; and
- b) entire group must be a "small group", i.e. the group must meet at least 2 of the 3 quantitative criteria on a consolidated basis for the immediate past two consecutive financial periods.

Companies that qualify for an audit exemption and have chosen not to have their financial statements audited should file unaudited financial statements. The unaudited financial statements (including notes to the financial statements), prepared in compliance with the Companies Act 1967, must be accompanied by the Statement by Directors.

**Which type of financial statements is the company submitting?**

Unaudited financial statements (including Notes to the Financial Statements) must comply with the Companies Act 1967 and be accompanied by the Statement by Directors.

**Is the company claiming for Tax Exemption Scheme for New Start-Up Companies?**

**Has the company satisfied all conditions to qualify for the Tax Exemption Scheme for New Start-Up Companies?**

The qualifying conditions for the Tax Exemption Scheme for New Start-up Companies (SUTE), including companies limited by guarantee\*, are as follows:

- The company must be incorporated in Singapore;
- The company must be a tax resident in Singapore for that YA of claim; and
- The company's total share capital is beneficially held directly by no more than 20 shareholders throughout the basis period for that YA where:
  - all of the shareholders are individuals; or
  - at least one shareholder is an individual holding at least 10% of the issued ordinary shares of the company.

\* Companies limited by guarantee must have members:

- all of whom are individuals throughout the basis period for that YA; or
- at least one of whom is an individual throughout the basis period for that YA, and the contribution of that individual under the Memorandum of Association of the company to the assets of the company in the event of it being wound up, amounts to at least 10% of the total contributions of the members of the company throughout the basis period for that YA.

The following types of companies are not eligible for SUTE:

- a) a company whose principal activity is that of investment holding; and
- b) a company which undertakes property development for sale, for investment, or for both investment and sale.

Tax exemption is granted on the first \$200,000 of a qualifying company's normal chargeable income for each of its first 3 consecutive YAs. The **exempt amount** is computed as follows:

- 75% of the first \$100,000 normal chargeable income
- 50% of the next \$100,000 normal chargeable income

# EXPLANATORY NOTES TO FORM C FOR YEAR OF ASSESSMENT (YA) 2025

The first YA of a qualifying company refers to the YA relating to the basis period during which the company is incorporated. A YA generally should not cover more than 12 months. For example, a company incorporated on 15 Apr 2023 closed its first set of financial statements on 30 Jun 2024:

YA	Basis Period	Items to be submitted by Filing Due Date
YA 2024 (1 <sup>st</sup> YA)	15 Apr 2023 to 30 Jun 2023	<ul style="list-style-type: none"> <li>Form C for YA 2025<sup>#</sup> and other relevant Forms</li> <li>Audited/ unaudited financial statements for the period ending on 30 Jun 2024</li> <li>Tax computations for YA 2024 and YA 2025</li> </ul>
YA 2025 (2 <sup>nd</sup> YA)	1 Jul 2023 to 30 Jun 2024	
YA 2026 (3 <sup>rd</sup> YA)	1 Jul 2024 to 30 Jun 2025	<ul style="list-style-type: none"> <li>Form C for YA 2026 and other relevant Forms</li> <li>Audited/ unaudited financial statements for the year ending on 30 Jun 2025</li> <li>Tax computation for YA 2026</li> </ul>

<sup>#</sup> The company need not request to file the Form C for YA 2024. Instead, it will have to apportion and attribute the adjusted profit/ losses to YA 2024 and YA 2025 and complete the line items for each YA when filing the Form C for YA 2025. For more details, please refer to the section on "Attribution of Profits/ Losses for New Companies" in this IRAS' webpage on [Basic Guide to Corporate Income Tax for Companies](#).

## Partial Tax Exemption Scheme

Companies that do not qualify for the SUTE will enjoy a partial tax exemption on the first \$200,000 of their normal chargeable income. The **exempt amount** is computed as follows:

- 75% of the first \$10,000 normal chargeable income
- 50% of the next \$190,000 normal chargeable income

For more details, please refer to IRAS' website under [Home > Taxes > Corporate Income Tax > Basics of Corporate Income Tax > Corporate Income Tax Rate, Rebates & Tax Exemption Schemes](#).

## The financial period for this return based on the company's financial statements is

### Normal Companies

Income is assessed on a preceding year basis. This means that the basis period for any YA is the financial year ending in the year preceding the YA. E.g. If the company's financial year-end is 31 Mar of each year, the basis period for YA 2025 is 1 Apr 2023 to 31 Mar 2024.

Please change the dates if the period stated is different from the company's financial statements.

For more details, please refer to IRAS' website under [Home > Taxes > Corporate Income Tax > Basics of Corporate Income Tax > Basic Guide to Corporate Income Tax for Companies](#).

### Insurer Companies

As announced in the 2022 Budget Statement, the MAS Statutory Returns instead of the financial statements will be used as the basis for preparing the tax computation for insurers with effect from YA 2024 (for insurers whose financial year end is 31 December) or YA 2025 (for insurers whose financial year end is not 31 December).

For more information, please refer to the [IRAS' e-Tax Guide](#), "Income Tax: Taxation of Insurers Arising from Adoption of FRS 117 – Insurance Contracts".

Please change the dates if the period stated is different from the company's MAS Statutory Returns.

Assessment 2		
<b>Item 16a</b>	Is there a change in the principal activities of the company during the basis period?	The company can deduct unutilised capital allowances, trade losses, M&A allowances and/ or donations incurred in any year against income in subsequent years as long as there is no substantial change in the ultimate shareholders and their shareholdings. In addition, to deduct unutilised capital allowances of any year against income in subsequent years, there must also not be a change in the company's principal activities.
<b>Item 16b</b>	Is there a substantial change in the company's ultimate shareholders and their shareholdings as at the relevant dates?	There is <u>no</u> substantial change in shareholders and their shareholdings if the shareholdings (%) of common shareholders as at the <b>last day of the YA</b> in which the capital allowances or M&A allowances arose/ <b>last day of the year</b> in which the losses and donations were incurred; and as at the <b>first day of the YA</b> (e.g. 1 January 2025 for YA 2025) in which the utilisation occurs, are 50% or more.
<b>Item 17</b>	Unutilised Capital Allowances/ Losses/ Donations claimed where waiver of the shareholding test has been/ will be granted by IRAS (To complete only if answer in Item 16b is "Yes")	<p>Where there is a substantial change in shareholders and their shareholdings, the company may submit an application to the Comptroller for a waiver of the shareholding test under Sections 23(5), 37(16), 37D(15) or 37O(22) of the Income Tax Act 1947. Each case will be considered based on its merits. If the Comptroller is satisfied that the substantial change in shareholders is not tax-motivated, the company will be allowed to:</p> <ul style="list-style-type: none"> <li>offset unutilised capital allowances/ trade losses/ mergers &amp; acquisitions allowance/ donations against profits derived from the <b>same</b> trade/ business; and</li> <li>carry back unutilised capital allowances/ trade losses of the current YA to the immediate preceding YA and offset against profits derived from the <b>same</b> trade/ business.</li> </ul>

<b>Group Relief</b>
<b>Form GR A/B:</b> <b>1. The ordinary shareholding levels of the relevant holding company are maintained at or above 75% during the continuous period that ends on the last day of the basis period.</b>
There are two tests to apply in determining ordinary shareholding.  First level test: Ordinary shareholding requirement. Second level test: Profits and assets available for distribution.  For more details, please refer to IRAS' website under <a href="#">Home &gt; Taxes &gt; Corporate Income Tax &gt; Income &amp; Deductions for Companies &gt; Claiming Reliefs &gt; Group Relief</a> or <a href="#">e-Tax Guide</a> "Group Relief System".
<b>Form GR A:</b> <b>Loss Items Transferred &gt; Concessionary Tax Rate (CTR)</b>
For loss items under concessionary tax rate, the quantum to be completed is based on transferor's tax computation submitted with Form C before claimant's S37A adjustment. Example: Transferor's loss items: S\$10,000 (@ 10%) Claimant (only has income under normal tax rate): S\$5,882 (after S37A adjustment - S\$10,000 x 10/17) Quantum to be completed in Form GR A: S\$10,000 (@10%)

<b>Related Party Transactions</b>
<b>Total Value of Related Party Transactions (S\$)</b>
Total Value of items in Part 2 and Closing Balance of items in Part 5.  Learn more about the <a href="#">Related Party Transactions (RPT) reporting requirements</a> , including the procedure to revise the Form for Reporting RPT and the Frequently Asked Questions.
<b>2c. Royalties, licence fees and other receipts/ payments for intellectual property rights from/ to all related parties</b>
Intellectual property rights means the right to do or authorise the doing of anything which would, but for that right, be an infringement of any patent, copyright, trademark, registered design, geographical indication, lay-out design of integrated circuit, trade secret or information that has commercial value, or the grant of protection of a plant variety.
<b>3b &amp; 4b: "Relationship Type"</b>
<b>Immediate holding company/ Ultimate holding company</b> If a company is both the immediate holding company and the ultimate holding company, please select "Ultimate Holding Company".  <b>Other related party</b> "Other related party" refers to any other person whose transaction with the reporting company is required to be disclosed as a related party transaction in the financial statements. For example, a joint venture or another company belonging to the same group as the reporting company.

#### References:

- (i) Adjusted trade profit is arrived at after adjustment for non-taxable items, separate source income and disallowable/ restricted expenses, e.g. Donations.
- (ii) Approved donations made during the financial period = S\$1,920  
Qualifying tax deduction = S\$1,920 x 2.5 = S\$4,800
- (iii) Computation of exempt amount:
 

	S\$
75% on the first S\$10,000	7,500
50% on the next S\$190,000	<u>95,000</u>
Total exempt amount	<u>102,500</u>
- (iv) Assume that the company did not meet the local employee condition and did not receive the CIT Rebate Cash Grant of \$2,000.  
CIT Rebate = 50% x 76,279.00 = 38,139.50
- (v) In this case, the amount to be entered in Item 1a is “-22,000” (i.e. S\$10,000 + S\$1,000 + S\$8,000 + S\$3,000).
- (vi) For qualifying conditions of the Tax Exemption Scheme for New Start-up Companies, refer to the explanatory notes for the section on ‘General Info’ (page 1).  
Computation of exempt amount:
 

	S\$
75% on the first S\$100,000	75,000
50% on the next S\$21,200	<u>10,600</u>
Total exempt amount	<u>85,600</u>
- (vii) Assume that the company met the local employee condition and received the CIT Rebate Cash Grant of \$2,000.  
CIT Rebate = 50% x 6,052.00 – 2,000 = 1,026.00
